

Rodent Barrier Without Poisons

EcoSafe 
Products

Territorial Marking Stick Makes Rats and Mice Disappear.

- Discourages rats, mice and small commensal rodents
- Easy application, just swipe and mark the territory
- Weather resistant animal pheromone formula
- For use outdoors, and in non-food areas indoors
- Works great on electrical wires and motor housings
- Professional quality, professional results

**Nature
VS
Nature**

**Apply the Predator to rocks, fence posts,
entry holes, door jambs, motor housings
electrical wires and other areas.**

Rodents Won't Dare Come Near.
