64 FL OZ

For the Misting System Professional

All-natural **Naprovit PRO Plus™** controls mosquitoes, spiders, wasps, hornets, midges (No-see-ums), gnats and many other types of small flying insects on contact. **Naprovit PRO Plus™ is non-toxic and poses no adverse risks to humans, pets, plants or the environment.** Nevertheless, it's deadly to insects and does not contribute to insecticide tolerance or resistance in insects.

MINIMUM RISK PESTICIDE: This product has not been registered by the United States Environmental Protection Agency. Natural Misting Solutions represents that Naprovit PRO Plus qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.

DIRECTIONS for use in misting equipment: For best results, mix 64 ounces of **Naprovit PRO Plus™** with 54.5 gallons of fresh water. Do not over or under dilute.
